

Chapbook Press

e-Book Global distribution print and digital package

With this package, you will be able to reach a very wide range of readers. Your title (in print or as an eBook) will be available for purchase to over 39,000 global retailers, and their customers. Bookstores and retailers around the world will be able to order your book for their customers.

Different book types, bindings and trim sizes are available with this package (perfect-bound paperback books, hardcover books with jacket, 4 color laminate hardcover books, color interior books, B&W interior books, matt or gloss cover options.)

20 trim sizes between 5 x 7 and 8.5 x 11 are available in paperback and hardcover.

The paper used to print books with this package is different than the paper we use to print with our Espresso Book Machine. There are two options 70lb white or 70lb cream. A cover template will be available.

Title set-up:

- Book and e-book: \$620 (includes 2 ISBNs)
- Book only: \$520 (include 1 ISBN)

You need to order a minimum of 50 copies within 60 days of title set-up.
For additional orders (minimum quantity of 10), please give us three week notice.

Epub Conversion:

\$0.80 per page (page count is based on the total number of pages in your bookblock). Conversion will take three (3) weeks to complete.

Epub is the proposed format from the International Digital Publishing Forum. Epub re-flows content, so that text can be optimized for the display screen being used at the time. For the eBook listing: we'll need a pdf file of the text and a jpeg image of the front cover.

The eBook will be available for more than 70 different ereaders including Amazon Kindle, Apple iBookstore, Barnes&Noble NOOK, Kobo, Sony, etc.)

Printing costs:

Printing costs will depend on your book type (binding, trim size, number of pages, type of paper requested, black and white interior or color interior) and the number of copies that you order. You can print as many copies as you need. We will give you a quote.

Retail pricing will be discussed with the author.

Author Compensation:

For a printed book: It will depend on the retail price, the wholesale discount percentage and the cost of production of the book. We will give you a quote.

For an e-book: the author gets 20% of list price.
