

## UPDATED USED BOOK BUYING PROCESS

We are currently allowing **20 people** to drop off used books each day, **TUESDAY - SATURDAY**, **by appointment only.**

- Drop off your books with a bookseller **between 9am-7pm on your appointment day** and leave them at the store. *If you miss your appointment day, please sign up for a new date – we will not be able to accept items outside of your assigned day.*
- Books will **typically be processed within 24 hours**, but may take longer depending on staffing.
- We will contact you when your books have been processed. You will have **one week after we contact you** to come and collect your voucher and any books we did not purchase.
- Your **voucher can be used for in-store credit or exchanged for cash value.** Credit value can also be loaded onto a gift card for use online or in the cafe.

*Additional guidelines:*

- Limit of **one drop off appointment per household, per week.**
- Limit of **25 books** per drop off. *[We no longer take used CDs or DVDs.]*
- **All buys are final.** Once the buy is processed, you will not be able to change your mind about selling the books to us.
- **At this time, masks are still required to be worn in the store at all times.** If you cannot wear a mask, please have someone drop off and pick up your books for you.

### GENERAL BOOK BUYING INFORMATION:

- We buy only books we feel are able to be resold. Due to changing market conditions and inventory levels, it is impossible to say what we will be interested in on any given day. Books are evaluated on condition, current inventory, current retail value and demand.
- We offer 20% of the resale value of your books cash, or 30% in store credit. Store credit has no expiration date and can be used at either of our two Schuler Books locations.

We are unable to accept:

- Damaged items (extensively creased, broken spines, heavily notated, loose pages, water/mildew/smoke damage), Textbooks, Bibles, Dictionaries/Encyclopedias, Magazines, Computer/software manuals, Former Library Books (with library markings), Most hardcovers without dust jackets
