### **READ-TO-ME CLUB:**

Schuler Books & Music is committed to bringing kids and books together. We realize that many of your kindergarten and first grade children are not able to read by themselves. We have an alternative program for those of you who would like to read to your child. Please indicate participation by checking the **Read To Me Club** box at the top of the form, and earn a book for every completed level.

### **HERE'S HOW TO PARTICIPATE:**

Schuler Books & Music invites young readers to join our SRC program this summer. Stop in to any Schuler Books location to register and get the form. Read any book from your home, library, or bookstore. Use the form to list the title and number of pages for each book that you read. Bring in the completed level, signed by a parent or guardian between June 9 and August 31 and we'll give you a **\$5.00 coupon**.

Coupon valid on in-store purchases only. Total amount of coupon must be redeemed at one time. Not redeemable for cash, gift cards or store credit.  
**Valid: 6/9/18 - 10/31/18.**

### **GUIDELINES FOR READERS:**

Earn up to **three \$5.00 coupons** - one for completing each of the three levels.

You must turn in a completed form (20 age-appropriate books) to the **Summer Reading Club Desk**. Coupons may be used to purchase merchandise in the store through October 31, 2018. Coupons must be redeemed in full when used.

### **EXTRA CREDIT FOR LONG BOOKS:**

Read any book over 200 pages and count it as two books. Just write "extra credit" on the line underneath the title of the book.

### **RECOMMENDED READING LISTS:**

Not sure what to read? The staff at Schuler Books has suggestions! The quality and content of these books have made them favorites of readers like you, whether you're a beginning reader, an intermediate reader, or ready for young adult books.

### **A NOTE TO PARENTS:**

Please remember that books must be age appropriate. We also ask that you help your child choose books that will expand his/her horizons, and encourage their enjoyment of reading. Ask your child about each book they have read and initial your approval!
